

Phased Out Inventory Status Updated October 08, 2025

As color palettes and product platforms are refreshed, stock of phased-out inventory remains available at a discounted rate long after we have stopped promoting a color.

LDI has begun phasing out the following collections in their entirety:

- Infinity
- Original gloss version of Berkshire (**Berkshire 2.0, matte version, remains active**)
- InkGard Plus
- Sierra

Further, as part of our ongoing commitment to innovation and sustainability, LDI continues to enhance both the EnviroLeather™ and EnviroHyde™ product platforms with each new generation:

- **EnviroLeather™ / EnviroLeather™ Prints** → transitioned to Gen 4 in 2025

EnviroLeather™ includes the following collections: California, Montana, Berkshire 2.0

- **EnviroHyde™** → transitioned to Gen 3 in 2025

EnviroHyde™ includes the following collection: Wyoming

While previous generations are no longer in active production, the remainder of inventory is available for purchase at a discounted rate. Please note that **all colors remain available** in our current offering.

As inventory levels decrease, yardage is available on a first-come, first-serve basis.

As always, we appreciate your business and continued support of LDI Interiors. Should you have any questions, please don't hesitate to contact your sales rep, or our Customer Care team at customerservice@ldiinteriors.com or 866-332-0700.

Please see below for lists of our phased-out collections, which include quantities of remaining inventory and alternative color suggestions from our active product lines:
