

The background of the image is a collage of various interior design materials. At the top, there are several fabric swatches in shades of grey and white, some with a textured, woven appearance. Below these, there are pieces of wallpaper with different patterns: one with a repeating circular motif, another with a vertical wavy line pattern, and one with a delicate floral or leaf design. In the bottom right, there are several rectangular stone or tile samples in neutral tones like beige, grey, and white. The overall aesthetic is clean, modern, and focused on texture and pattern.
